

Tomb Raider: The Live Experience Participation Waiver

All activities are run to the highest possible standards. Participants should recognise that all activities involve an inherent element of risk. As such, entry into this experience is at your own risk.

1. Please be aware that these activities can be deemed as physically strenuous at times. There are certain parts of Tomb Raider – The Live Experience which feature low ceilings and/or small claustrophobic spaces, changes of level and uneven surfaces. Some areas may require climbing up and down ladders, crawling through tunnels or sliding down slides. There will be special effects in use in certain activities including visual, audio, special and smoke effects which may startle guests. You must wear clothing and footwear that is suitable to undertake the activities.
2. If at any time you are uncomfortable with any activity and what it entails, please stop as soon as it is safe to do so and inform a member of staff who will make appropriate arrangements.
3. Instructions given to you by Tomb Raider: The Live Experience staff must be strictly adhered to. Activities are provided for your enjoyment. Please resist competitive urges, the activity is a challenge and not a race or competition. If you find yourself worked up or frustrated at the gameplay when it is working as it should, the experience is not being played in the correct spirit.
4. If you do not understand any of the instructions given to you by a member of staff you must ask for those instructions to be explained again. You should only undertake the relevant activities when you know how to do so safely.
5. You should let us know immediately if you feel ill while using our equipment or facilities. A suitably trained First Aider is on site and available at all times to assist.
6. Participation in activities should be within your own ability. If you know, or are concerned about a medical condition which might interfere with your ability to participate safely, you should seek advice from a relevant medical professional and follow the advice before you use the equipment and facilities.
7. If you have a disability or any pre-existing injuries, allergies or illnesses you must notify us immediately and follow any reasonable instructions to allow you to partake in the activity safely, if this is indeed possible. This includes those with epilepsy as flash photography, strobe lights and pulsating lights are used throughout. Please note Latex is also used throughout the experience so those with severe allergies must make a member of staff aware prior to entering the attraction.
8. Pregnancy strictly prohibits participation. Little Lion Entertainment does not permit participation at any stage of pregnancy given the nature of the physical activity required to play an active team role and manoeuvre through the experience. If you suspect that you may be pregnant, Little Lion Entertainment advise that you consult your doctor in order to ascertain whether or not you are pregnant.

Venue & Show Rules

9. Under no circumstances will any person be allowed to participate in any activity if they appear to be under the influence of alcohol or drugs. Please tell a member of staff, or refrain from taking part if this is the case.
10. No filming or photography will be allowed while you undertake the experience. Everyone who enters the building will have to store phones away in the lockers provided.
11. No violence, abusive or aggressive behaviour of any kind will be tolerated towards any members of staff. Offenders may be reported to the police or relevant authorities and any offences committed under these terms may be subject to prosecution. If we feel that our staff are at threat at any point, the offender will be ejected.
